Actual skimmer Bin installed in gas pump

On 10-1-10, at about 0317 hours, *Bin* drove to a Chevron Gas Station (1400 Mission Street, South Pasadena, CA) and was seen prying open a gas pump door by the cashier. Officers were called and detained *Bin* and later found the skimming device (see photo) attached to the gas pump's credit card reader. *Bin* was also in possession of a counterfeit credit card.
